We have recently purchased two vacation rentals and can see no benefit to raising our assessment 1%. I believe this fee will have a negative effect on guests that already are having to pay 11% that they are not too happy about. I would ask you to exclude vacation rentals from the this assessment . The large Hotels and Motels are the only ones that will likely benefit from the Tourism Marketing District so why should we have to fund their advertising? I would like to thank you for your consideration and hope you will do the right thing and exclude vacation rentals.

Dear County Supervisors,

I am writing to ask that you exclude Bed & Breakfast Inns from the proposed new Tourism Marketing District. It truly adds a burden for the small business owner. We have only 7 rooms, and often our guests are dismayed by the current 12% tax. I don't feel that this new tax would be beneficial for Heritage Inn. Thank you for your consideration.

I am the owner of a vacation rental home in Cayucos and I am opposed to the formation of Tourism Marketing District.
I already pay taxes and an added 1% tax is excessive since I do not see absolutely any special benefit to my business,
please listen to your constituents and vote to not include vacation rentals in a TMD.

Sincerely,
Susana Cuellar
