DATE: 6/16/2015

SUBJECT: Submittal of a resolution to levy original assessments for costs of San Luis Obispo County Flood Control and Water Conservation District Zone 1 & 1A (Arroyo Grande Creek Channel and Los Berros Diversion Channel of Arroyo Grande Creek). District 4.

RECOMMENDATION

It is recommended that the Board, acting as the Board of Supervisors for the San Luis Obispo County Flood Control and Water Conservation District:

1. Approve the attached resolution and collect assessments as stipulated therein; and
2. Direct the Clerk to file the approved resolution with the Auditor/Controller/Treasurer/Tax Collector (ACTT) no later than August 10, 2015.

DISCUSSION

The benefit assessment funds activities associated with the Arroyo Grande Creek improvements (Zone 1), and the Los Berros diversion channel to Arroyo Grande Creek (Zone 1A). This rate has been in effect more than twenty-six years. The current rate was in effect when Proposition 218 was passed. No vote on these current assessments is required unless the rate is to be increased. On June 6, 2006, voters approved an additional annual assessment to fund increased maintenance activities. This additional assessment will be brought to your Board in a separate item.

OTHER AGENCY INVOLVEMENT/IMPACT

The office of the ACTT will process the collection of service charges on the property tax bills. County Counsel has approved the Resolution as to legal form and effect. The County Clerk will file the Resolution with the ACTT.

FINANCIAL CONSIDERATIONS

Section 13 of the San Luis Obispo County Flood Control Act 7205 allows for the recovery of costs associated with the maintenance and improvement of the subject drainage projects. The amount of the assessment, per parcel, is \$10.00 per acre rounded to the nearest 1/2 acre. The revenues are

included in the proposed Flood Control Zone 1 and 1-A budgets for 2015-16. The total of this assessment levied in Flood Control Zone 1 will be approximately \$15,800, which represents 3% of the district funding. The total of this assessment levied in Flood Control Zone 1-A will be approximately \$2,100, which represents 7% of the district funding.

RESULTS

Approximately \$15,800 in Flood Control Zone 1 and \$2,100 in Flood Control Zone 1-A will be added to the property tax bills in the respective districts for 2015-16. This revenue will be used to finance flood control services within the respective districts. See resolution exhibit for amount charged each parcel.
