Dear Supervisor Mecham,

I am writing you in order to respectfully request that you reconsider the permit to demolish the Adelaida Barn. Once this barn is removed it cannot be replaced and it provides an important glimpse into the history of our State and specifically the county that once was such a thriving dairy stronghold. Preservation of this important historical landmarks will provide educational opportunities for future generations. Removal of the barn will irrevocably change the character of

the area. I sincerely hope that you consider saving the barn and preserving the character of this area.

Yours sincerely,

Gage Dayton, Ph.D.
