SUBJECT: Request approval of Parcel Map CO 04-0591, a proposed subdivision resulting in 2 lots by Robert K. and Madaleine J. Towery that has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map, Mesa Road, Nipomo. District 4.

RECOMMENDATION

It is recommended that the Board approve Parcel Map 04-0591, a proposed subdivision of 2 lots by Robert K. and Madaleine J. Towery that has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map, Mesa Road, Nipomo. District 4.

DISCUSSION

The subject map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from CAL Fire, County Public Works, Environmental Health, County Parks and the Agricultural Commissioner.

At the December 5, 2005 public hearing, the Subdivision Review Board granted tentative approval to the proposed subdivision. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
