Supervisor Mechum,

I wish to voice my objection to the proposed change to the county park in San Miguel. I know it will do no good as I am sure that it is already a done deal by the time the public hears about it. I am also concerned about what will happen to the old school bell and the Memorial drinking fountain. As a child I rang that bell on occasion and as for the memorial plaque on the drinking fountain, it contains my grandfathers name as a tribute to his service to the community. I suppose that having a bigger soccer field is more important than the quiet, cool park that we have had all my life but I am sure someone will call this progress.

Sincerely, Richard and Patsy Sinclair
