Subject: Inland Vacaton Rental Ordinance

We strongly urge you to support the Planning Department in the creation of an Inland Vacation Rental Ordinance, which is agenda item #5 for the Board of Supervisors meeting on Tuesday Oct. 13th.

We bought our home 18 years ago, and it is located in the city limits. The farmhouse behind us is not in the city limit, it gets rented out as a "vacation rental." For the last 4 years we have been dealing with the "vacation rental" having events (usually weddings) almost every weekend. Last year it was rented almost 9 months, so we had about 3 months of peace and quiet. They call it a vacation rental and have no event permit. We have to listen to amplified, loud music and yelling almost every weekend. We have many, many calls to the Sheriff.

We understand there is no ordinance in place at this time. Please support the Planning Department in their effort to do something about this. There needs to be some jurisdiction over this situation.

Thank you

Max and Jeanne Eggert
