WHEREAS, the abbreviated form of Measure B-14 is:

"To continue the work of Measure I-10 by modernizing and expanding vocational education facilities, repairing aging schools throughout the District, improving student computer access, and constructing a high school science, technology, engineering and mathematics facility, shall $58 million of Atascadero Unified School District bonds, previously approved in November 2010, be reauthorized through issuance of new bonds with interest rates below legal limits, independent citizens oversight, no money for administrator salaries and no increase in total authorized District debt?"

WHEREAS, the Board of Trustees of the District (the "Board") is authorized to provide for the issuance and sale of any series of Measure B-14 Bonds under the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code (the "Bond Law"); and

WHEREAS, further, as promised to District voters pursuant to Measure B-14, following the issuance of the Series A Bonds, the District will petition the County Board of Supervisors to initiate, undertake and complete proceedings for the cancellation of a like principal amount of unissued Measure I-10 Bonds;

ARTICLE II

THE SERIES A BONDS

SECTION 2.01. *Authorization.* The Board hereby authorizes the issuance of the Series A Bonds in the aggregate principal amount not to exceed $25,000,000 under and subject to the terms of Article XIIIA, Section 1 paragraph (b) of the California Constitution, the Bond Law and this Resolution, for the purpose of raising money for the acquisition or improvement of educational facilities in accordance with Measure B-14 and to pay Costs of Issuance. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Series A Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal thereof and interest and premium, if any, on all Series A Bonds, subject to the covenants, agreements, provisions and conditions herein contained. The Series A Bonds may be issued as current interest bonds only, and shall be designated the "Atascadero Unified School District (San Luis Obispo County, California) General Obligation Bonds, 2014 Election, Series A (GO Reauthorization Bonds®)," including any additional designation as may be deemed necessary by a District Representative to appropriately identify the Series A Bonds.

SECTION 2.02. *Terms of Series A Bonds.*

(a) Form of Series A Bonds. The Series A Bonds will be issued as fully registered bonds, without coupons, in the denomination of $5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Series A Bonds maturing in the year of maturity of the Series A Bond for which the denomination is specified. Series A Bonds will be lettered and numbered as the Paying Agent may prescribe. The Series A Bonds will be dated as of the Closing Date.

Interest on the Series A Bonds is payable semiannually on each Interest Payment Date. Each Series A Bond will bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it will bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the first Record Date, in which event it will bear interest from the Closing Date. Notwithstanding the foregoing, if interest on any Series A Bond is in default at the time of authentication thereof, such Series A Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(b) Maturities; Basis of Interest Calculation. The Series A Bonds will mature on August 1 in the years and in the amounts, and will bear interest at the rates, as determined upon the sale thereof as provided in the Official Notice of Sale. The final maturity date shall not exceed any limits prescribed in the Bond Law, and in the event any findings are required with respect to the useful life of projects to be financed with the proceeds of the Series A Bonds, a District Representative with knowledge regarding projects to be financed with the Series A Bond proceeds is hereby authorized to make

such findings. Interest on the Series A Bonds will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

(c) CUSIP Identification Numbers. CUSIP identification numbers will be imprinted on the Series A Bonds, but such numbers do not constitute a part of the contract evidenced by the Series A Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series A Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Series A Bonds will not constitute an event of default or any violation of the District's contract with such Owners and will not impair the effectiveness of any such notice.

(d) Payment. Interest on the Series A Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check, draft or wire of the Paying Agent mailed to the Owner thereof (which will be DTC so long as the Series A Bonds are held in the book-entry system of DTC) at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; except that at the written request of the Owner of at least $1,000,000 aggregate principal amount of the Series A Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Series A Bonds will be paid on the succeeding Interest Payment Date to such account as will be specified in such written request. Principal of and premium (if any) on the Series A Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

(e) Provisions of Official Notice of Sale to Control. Notwithstanding the foregoing provisions of this Section and the following provisions of Section 2.03, any of the terms of the Series A Bonds may be established or modified under the Official Notice of Sale. In the event of a conflict or inconsistency between this Resolution and the Official Notice of Sale relating to the terms of the Series A Bonds, the provisions of the Bond Purchase Agreement will be controlling.

SECTION 2.03. *Redemption of Series A Bonds.*

(a) Optional Redemption Dates and Prices. The Series A Bonds are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, on the dates and at the respective redemption prices as shall be designated in the Official Notice of Sale.

(b) Mandatory Sinking Fund Redemption. If the successful Purchaser specifies that any one or more maturities of the Series A Bonds are term bonds which are subject to mandatory sinking fund redemption, each such maturity of Series A Bonds shall be subject to such mandatory sinking fund redemption on August 1 in each of the years and in the respective principal amounts as set forth in such bid, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If any such term bonds are redeemed under the provisions of the preceding clause (a), the total amount of all future payments under this subsection (b) with respect to such term bonds shall be reduced by the aggregate principal amount of such term bonds so redeemed, to be allocated among such payments on a pro rata basis in integral multiples of $5,000 (or on

such other basis as the District may determined) as set forth in written notice given by the District to the Paying Agent.

(c) Selection of Series A Bonds for Redemption. Whenever provision is made for the redemption of Series A Bonds and less than all Outstanding Series A Bonds are to be redeemed, the Paying Agent, upon written instruction from the District received at least 30 days prior to the specified redemption date (unless a shorter notice is consented to by the Paying Agent), shall select Series A Bonds for redemption by lot within a maturity (unless otherwise directed by the District). Redemption by lot shall be in such a manner as the Paying Agent may determine; *provided, however*, that the portion of any Series A Bond to be redeemed in part will be in the principal amount of $5,000 or any integral multiple thereof. Whenever less than all of the Outstanding Series A Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Series A Bonds of such maturity to be redeemed by lot as the Paying Agent may determine. For purposes of selection of Series A Bonds for redemption, each Current Interest Bond will be deemed to consist of individual bonds of $5,000 portions (principal amount or Conversion Value, as applicable). The Series A Bonds may all be separately redeemed.

(d) Redemption Procedure. The Paying Agent will cause notice of any redemption to be mailed, first class mail, postage prepaid, at least 30 days but not more than 60 days prior to the date fixed for redemption, to the respective Owners of any Series A Bonds designated for redemption, at their addresses appearing on the Registration Books. Such mailing is not a condition precedent to such redemption and the failure to mail or to receive any such notice will not affect the validity of the proceedings for the redemption of such Series A Bonds. In addition, the Paying Agent will give notice of redemption by telecopy or certified, registered or overnight mail to the Municipal Securities Rulemaking Board and each of the Securities Depositories at least two days prior to such mailing to the Series A Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Series A Bonds are to be called for redemption, shall designate the serial numbers of the Series A Bonds to be redeemed by giving the individual number of each Series A Bond or by stating that all Series A Bonds between two stated numbers, both inclusive, or by stating that all of the Series A Bonds of one or more maturities have been called for redemption, and shall require that such Series A Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Series A Bonds will not accrue from and after the redemption date.

Upon surrender of Series A Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Series A Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Series A Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Series A Bonds so called for redemption have been duly provided, the Series A Bonds called for redemption will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption

price, and no interest will accrue thereon on or after the redemption date specified in the notice. The Paying Agent will cancel all Series A Bonds redeemed under this Section and will furnish a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Series A Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the dated fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Series A Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Series A Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under subsection (d) of this Section.

SECTION 2.04. *Form of Series A Bonds.* The Series A Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon will be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution and the Official Notice of Sale, as are set forth in Appendix A attached hereto.

SECTION 2.05. *Execution of Series A Bonds.* The Series A Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Clerk of the Board. Only those Series A Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent is conclusive evidence that the Series A Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Series A Bonds.* Subject to Section 2.10, any Series A Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series A Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Series A Bond issued upon any transfer.

Whenever any Series A Bond or Bonds is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Series A Bond or Bonds, for like aggregate principal amount. No transfers of Series A Bonds shall be required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Series A Bonds for redemption or (b) with respect to a Series A Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Series A Bonds.* Series A Bonds may be exchanged at the principal Office of the Paying Agent for a like aggregate principal amount of Series A Bonds of authorized denominations and of the same maturity, together with a request for exchange signed by the owner or by a person legally empowered to do so in a form

satisfactory to the Paying Agent. The District may charge a reasonable sum for each new Series A Bond issued upon any exchange (except in the cases of any exchange of temporary Series A Bonds for definitive Series A Bonds). No exchange of Series A Bonds is required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Series A Bonds for redemption or (b) with respect to a Series A Bond after it has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Series A Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Series A Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, DTC shall be the Owner of all of the Series A Bonds, and the Series A Bonds shall be registered in the name of Cede & Co. as nominee for DTC. The Series A Bonds shall be initially executed and delivered in the form of a single fully registered Series A Bond for each maturity date of the Series A Bonds in the full aggregate principal amount of the Series A Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Series A Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District have no responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Series A Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Series A Bonds. The District shall cause to be paid all principal and interest with respect to the Series A Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Series A Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Series A Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Series A Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Series A Bonds. In such event, the District shall issue, transfer and exchange Series A Bonds as requested by DTC and any other owners in appropriate amounts.

DTC may determine to discontinue providing its services with respect to the Series A Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Series A Bonds as described in this Resolution. Whenever DTC requests the District to

do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Series A Bonds evidencing the Series A Bonds to any Depository System Participant having Series A Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Series A Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Series A Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Series A Bond and all notices with respect to such Series A Bond shall be made and given, respectively, to DTC as provided in the representation letter delivered on the date of issuance of the Series A Bonds.

Section 2.10. *Transfer Under Book-Entry System: Discontinuation of Book-Entry System.* Registered ownership of the Series A Bonds, or any portion thereof, may not be transferred except as follows:

(i) To any successor of Cede & Co., as nominee of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); *provided that* any successor of Cede & Co., as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) All remaining proceeds received by the County Auditor-Controller-Treasurer-Tax Collector from the sale of the Series A Bonds will be deposited in the Building Fund pursuant to Section 3.03.

In the event Costs of Issuance are not paid directly by the Purchaser as a condition to sale as described in the Official Notice of Sale, a portion of the proceeds of the Series A Bonds may be deposited with a fiscal agent selected by the District, as provided in Section 15146(g) of the Education Code, as directed by the District, in order to provide for the payment of some or all of the Costs of Issuance.

SECTION 3.03. *Building Fund.* The District hereby directs the San Luis Obispo County Auditor-Controller-Treasurer-Tax Collector to cause a fund to be established, held and maintained designated as the "Atascadero Unified School District, 2014 Election, Series A Building Fund," into which the proceeds from the sale of the Series A Bonds shall be deposited, to the extent required under Section 3.02(b). SECTION 3.05. *Costs of Issuance Agreement.* The Board reserves the right to request the successful bidder to pay all or a portion of the Costs of Issuance from its own funds as a condition to the purchase of the Series A Bonds. In order to facilitate the payment of all or some Costs of Issuance, the Board hereby authorizes a District Representative to enter into or acknowledge an agreement, designating a bank identified therein, to serve as a custodian for receipt of a portion of the proceeds of the Series A Bonds or funds provided by the Purchaser to pay all or a portion of Costs of Issuance.

DTC will thereupon make payments of principal and interest on the Series A Bonds to the DTC Participants who will thereupon make payments of principal and interest to the beneficial owners of the Series A Bonds. Any moneys remaining in the Debt Service Fund after the bonds issued pursuant to Measure I-10 and Measure B-14, including refunding bonds, have been paid, or provision for such payment has been made, shall be transferred by the County to the General Fund of the District, as provided in Section 15234 of the Education Code.

The District covenants that all investments of amounts deposited in any fund or account created by or under this Resolution, or otherwise containing proceeds of the Series A Bonds, shall be acquired and disposed of at the Fair Market Value thereof. For purposes of this Section, the term "Fair Market Value" shall mean, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the

Nothing herein contained shall prevent the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

SECTION 5.02. *Books and Accounts; Financial Statements.* The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries are made of all transactions relating to the expenditure of the proceeds of the Series A Bonds. Following the issuance of the Series A Bonds by the District, the Series A Bonds shall be incontestable by the District.

SECTION 5.04. *Tax Covenants.*

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Series A Bonds are not so used as to cause the Series A Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Series A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Series A Bonds which, if such action had been reasonably expected to have been

taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Series A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Series A Bonds from the gross income of the Owners of the Series A Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated excess investment earnings with respect to the Series A Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, if and to the extent such Section 148(f) is applicable to the Series A Bonds. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Series A Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District may deem appropriate.

SECTION 5.05. *Continuing Disclosure.* The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate does not constitute a default by the District hereunder or under the Series A Bonds; however, any Participating Underwriter (as that term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Series A Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

A District Representative is hereby authorized to take any necessary steps and to sign documents and/or certifications relating to such cancellation.

ARTICLE VI

SECTION 6.01. *Appointment of Paying Agent.* U.S. Bank National Association, Los Angeles, California is hereby appointed to act as Paying Agent for the Series A Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Series A Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Series A Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the District by executing and delivering to the District a certificate or agreement to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and with the written consent of the County Auditor-Controller-Treasurer-Tax Collector(which shall not unreasonably be withheld) may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least $50,000,000, and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Series A Bond Owners of such resignation. Upon receiving notice of such resignation, with the written consent of the County Auditor-Controller-Treasurer-Tax Collector(which shall not unreasonably be withheld) the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent will become effective upon acceptance of appointment by the successor Paying Agent.

SECTION 6.02. *Paying Agent May Hold Series A Bonds.* The Paying Agent may become the owner of any of the Series A Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

SECTION 6.03. *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Series A Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Series A Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent is not liable for any error of judgment made in good faith by a responsible officer of its corporate trust department in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent is not responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 6.04. *Notice to Paying Agent.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05. *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

ARTICLE VII

REMEDIES OF SERIES A BOND OWNERS

SECTION 7.01. *Remedies of Series A Bond Owners.* Any Series A Bond Owner has the right, for the equal benefit and protection of all Series A Bond Owners similarly situated:

(a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Series A Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

(b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Series A Bond Owners' rights; or

(c) upon the happening and continuation of any default by the District hereunder or under the Series A Bonds, by suit, action or proceeding in any court of competent jurisdiction, to require the District and its members and employees to account as if it and they were the trustees of an express trust.

SECTION 7.02. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Series A Bonds is exclusive of any other remedy. Each and every remedy is cumulative and may be exercised in addition to every other remedy given hereunder or thereafter conferred on the Series A Bond Owners.

SECTION 7.03. *Non-Waiver.* Nothing in this Article VII or in any other provision of this Resolution or in the Series A Bonds, affects or impairs the obligation of the District, which is absolute and unconditional, to pay the principal of and interest on the Series A Bonds to the respective Owners of the Series A Bonds at the respective dates of maturity, as herein provided, or affects or impairs the right of action against the District, which is also absolute and unconditional, of such Owners to institute suit against the District to enforce such payment by virtue of the contract embodied in the Series A Bonds.

A waiver of any default by any Series A Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Series A Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Series A Bond Owners by this Article VII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Series A Bonds.

If a suit, action or proceeding to enforce any right or exercise any remedy be abandoned or determined adversely to the Series A Bond Owners, the District and the

Series A Bond Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

ARTICLE VIII

SECTION 8.02. *Amendments Effective With Consent of the Owners.* The Board may amend this Resolution from time to time for any purpose not set forth in Section 8.01, with the written consent of the Owners of a majority in aggregate principal amount of the Series A Bonds Outstanding at the time such consent is given. Without the consent of all the Owners of such Series A Bonds, no such modification or amendment shall permit (a) a change in the terms of maturity of the principal of any Outstanding Series A Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, (b) a reduction of the percentage of Series A Bonds the consent of the Owners of which is required to effect any such modification or amendment, (c) a change in any of the provisions in Section 7.01 or (d) a reduction in the amount of moneys pledged for the repayment of the Series A Bonds, and no right or obligation of any Paying Agent may be changed or modified without its written consent.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. *Benefits of Resolution Limited to Parties.* Nothing in this Resolution, expressed or implied, gives any person other than the District, the County, the Paying Agent and the Owners of the Series A Bonds, any right, remedy, claim under or by reason of this Resolution. The covenants, stipulations, promises or agreements in this Resolution are for the sole and exclusive benefit of the Owners of the Series A Bonds.

SECTION 9.02. *Defeasance of Series A Bonds.*

(a) Discharge of Resolution. Any or all of the Series A Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on such Series A Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Series A Bonds; or

(iii) by delivering such Series A Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Series A Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Series A Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Series A Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Series A Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Series A Bond (whether upon or prior to its maturity or the redemption date of such Series A Bond), provided that, if such Series A Bond is to be redeemed prior to maturity, notice of such redemption has been

given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, then all liability of the District in respect of such Series A Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Series A Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Series A Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Series A Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Series A Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Series A Bonds and all unpaid interest thereon to maturity, except that, in the case of Series A Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Series A Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Series A Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Series A Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Series A Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Series A Bonds and remaining unclaimed for two years after the principal of all of the Series A Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Series A Bonds became due and payable, shall, upon request of the District, be

repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Series A Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Series A Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof. Thereafter, the District shall remain liable to the Owners for payment of any amounts due on the Series A Bonds, which amounts shall be deemed to be paid by the District from moneys remitted to it by the Paying Agent under this subsection (d).

SECTION 9.03. *Execution of Documents and Proof of Ownership by Series A Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Series A Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Series A Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Series A Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Series A Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Series A Bond shall bind all future Owners of such Series A Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Series A Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duly provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* The County (including its officers, agents and employees) shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution and in applicable provisions of the Bond Law and the Education Code, and even during the continuance of an event of default with respect to the Series A Bonds, no implied covenants or obligations shall be read into this Resolution against the County (including its officers, agents and employees).

The District further agrees to indemnify, defend and save the County (including its officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 9.06. *Destruction of Canceled Series A Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Series A Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Series A Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Series A Bonds therein referred to.

SECTION 9.07. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Series A Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief financial officer of the District in trust for the benefit of the Series A Bond Owners.
