Description of Nature, Purpose and Beneficiaries of Project

Implementation of this project will install center-line rumble strips along up to 82 miles of existing County roads throughout San Luis Obispo County. The County's annual Roadway Safety Analysis has identified the roads proposed under this project as having crossover collisions involving head-on or run-off road attributes. The purpose of the project is to reduce the occurrence and consequence of leaving the roadway in head-on collision. The general public served by the roads are the beneficiaries.
