County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Jeff Werst, Design Division Manager
Don Spagnolo, Project Manager

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 12/15/2015

SUBJECT: Letter transmitting plans and specifications (Clerk's File) for 2015-16 Asphalt Overlay Various South County Roads for project approval, advertisement for construction bids, and find that the project is exempt from Section 21000 et seq. of the California Public Resources Code (CEQA). Bid opening date set for Thursday, January 14, 2016. District 4.

RECOMMENDATION

In accordance with applicable State Law, it is our recommendation that the Board:

1. Approve the project and adopt the plans and specifications for the construction of 2015-16 Asphalt Overlay Various South County Roads, Contract No. 300559; and
2. Authorize the contract to be advertised for construction bids, with a recommended bid opening date of Thursday, January 14, 2016 and direct the Clerk of the Board to advertise a minimum of 21 calendar days before bid opening, no later than December 24, 2015; and
3. Authorize the Public Works Director, or his designee, to extend the bid opening date to a date deemed more appropriate by the Director, or his designee, so long as any such extension is in compliance with all applicable laws; and
4. Find that the project is exempt from Section 21000 et seq. of the California Public Resources Code (CEQA).

DISCUSSION

This asphalt concrete overlay contract is part of the Department of Public Works' Annual Pavement Maintenance Plan resurfaces existing roads to extend the service life of the pavement. This work is necessary to halt further deterioration of these paved roads, and to improve safety and operation. This project is one of three overlay contracts that will be completed this year utilizing the \$11M (\$9.3M for pavement overlay and \$1.9M for pavement seal coats) from this fiscal year's pavement management program. The project will be constructed in the spring of 2016.

This contract provides for a pavement overlay on:

- Frontage Road from Los Berros Road to Summit Station Road
- Elm Street from Hwy 1 to Arroyo Grande City limits
- Paso Robles Street from Hwy 1 to Elm Street
- Eucalyptus Road from Tefft Street to Osage Street
- El Campo Road from Halcyon Road to Hwy 101

The project will place new hot mix asphalt, with no expansion of the currently paved area, for a total length of approximately 5.5 miles. These roads were confirmed for overlay through the County's Pavement Management Program and on-site inspection.

OTHER AGENCY INVOLVEMENT/IMPACT

Area utility companies have been alerted of our construction schedule and advised to proceed with any subsurface work prior to our paving project. Various utility valve lids and vaults will be adjusted to the newly constructed street grades. These are obligations of the utilities.

County Counsel has approved the contract as to legal form and effect. The County Clerk formally processes the bid openings.

The County Environmental Coordinator has reviewed the project and determined that it is exempt from CEQA.

FINANCIAL CONSIDERATIONS

This is a multi-phase project budgeted in the Road Fund at \$3,230,000 – WBS 300559. The total project costs are estimated at \$3,215,699. This will be one of three overlay projects planned in FY15/16. Funding for the project will come from the Road Fund Pavement Management Program.

At the time of award, when actual construction costs are known, any unused budget will be redirected to other planned Pavement Management Projects. No other budget adjustment is necessary at this time.

The Please see Exhibit "A" for an estimated cost breakdown of the project.

RESULTS

Approval of the recommended action will result in this project being advertised for construction bids. The Asphalt Overlay construction will lead to meeting the performance based budget objectives and provide a safer and livable community.
