

# NOTICE OF GENERAL RULE EXEMPTION

SAN LUIS OBISPO COUNTY DEPARTMENT OF PLANNING AND BUILDING  
976 OSOS STREET • ROOM 200 • SAN LUIS OBISPO • CALIFORNIA 93408 • (805) 781-5600

**Project Title and No.:** Ordinance Amending Title 21 of the County Code, the Real Property Division Ordinance; ED15-153

<b>Project Location(Specific address):</b> Countywide	<b>Project Applicant &amp; Phone No.:</b> County of San Luis Obispo, Department of Public Works; (805) 781-5252
<b>Project Location(County):</b> San Luis Obispo	<b>Applicant Address (specific):</b> County Government Center Room 206, San Luis Obispo, CA 93408

**Name of Public Agency Approving Project:** County of San Luis Obispo

### Description of Nature, Purpose and Beneficiaries of Project

A request by the County of San Luis Obispo to amend the Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code), chapter 21.06. Ordinance will amend sections 21.06.020 by adding a requirement that all subdivision final maps be referenced to the California State Plane Coordinate System of 1983 (CCS83); and 21.06.026 by deleting the provision for allowing final Parcel maps of subdivisions resulting in parcels larger than 40 acres to be based on record or field data only.

**Exempt Status/Findings:** This project is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. It can be seen with certainty that there is no possibility that this project may have a significant effect on the environment; therefore, the activity is not subject to CEQA. [Reference: State CEQA Guidelines sec. 15061(b)(3), General Rule Exemption]

### Reasons why project is exempt:

The amendment is intended to provide positional accuracy of land boundary data; and require that all parcel maps be based on field survey made in conformity with the Professional Land Surveyor's Act, which will not have a significant adverse impact on the environment.

**Additional Information:** Additional information pertaining to this notice of exemption may be obtained by reviewing the second page of this document and by contacting the Environmental Coordinator, 976 Osos St., Rm 200, San Luis Obispo, CA 93408 (805) 781-5600.

Name (Print) *Ellen Carroll* Title *Environmental Coordinator*

**REVIEW FOR EXEMPTION / ENVIRONMENTAL CHECKLIST**

**Project Title & No:** Ordinance Amending Title 21 of the County Code, the Real Property Division Ordinance; ED15-153

Pursuant to section 15061 of the State California Environmental Quality Act (CEQA) Guidelines, the preliminary review of a project includes a determination as to whether a project is exempt from CEQA. This checklist represents a summary of this project's review for exemption.

- |  | <u>YES</u>               | <u>NO</u>                           |
|--|--------------------------|-------------------------------------|
| 1. Does this project fall within any exempt class as listed in sections 15301 through 15329 of the State CEQA Guidelines?  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 2. Is there a reasonable possibility that the project could have a significant effect on the environment due to unusual circumstances?   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 3. Is the project inconsistent with any Federal, State, or local law or administrative requirement relating to the environment?  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 4. Will the project involve substantial public controversy regarding environmental issues?   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 5. Does the project have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal or eliminate important examples of the major periods of California history or prehistory? | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 6. Does the project have the potential to achieve short-term environmental goals to the disadvantage of achieving long-term environmental goals? (A short-term impact on the environment is one which occurs in a relatively brief, definitive period of time while long-term impacts will endure well into the future.)   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 7. Does the project have adverse impacts which are individually insignificant, but cumulatively significant? Cumulatively significant means that the incremental effects of an individual project are substantially adverse when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 8. Does the project have environmental effects which will cause substantial adverse effects on human beings, either directly or indirectly?  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

On the basis of this initial evaluation, I find that the proposed project does not have the potential to cause a significant effect on the environment, and is therefore exempt from CEQA.
