County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Joe Whalen, Resident Engineer
Don Spagnolo, Project Manager

VIA: Dave O'Halloran, Construction Division Manager

DATE: 1/5/2016

SUBJECT: Submittal of a resolution authorizing execution of notice of completion and acceptance for the construction of the FY 2014–15 Asphalt Overlay, Various Roads in Los Osos. District 2.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution, which authorizes the execution of a notice of completion and acceptance of the Construction of the FY 2014–15 Asphalt Overlay, Various Roads in Los Osos (Contract No. 300519).

DISCUSSION

The contract was awarded to CalPortland Construction on April 21, 2015 in the amount of \$1,996,426 and was constructed within the allowable working days.

Los Osos Valley road has bike lanes have now been striped through the business area as a result of this project.

This project consisted of pavement repairs and asphalt overlays on Los Osos Valley Road, Los Olivos Avenue, Pine Avenue, and several roads in the Bay Oaks tract, as well as upgrades to curb ramps to comply with the Americans with Disability Act.

OTHER AGENCY INVOLVEMENT/IMPACT

Local utility companies including Los Osos Community Services District and Golden State Water Company were notified of the project and advised to adjust their surface facilities to finish grade.

The Los Osos Community Advisory Council reviewed the project and concurred with striping revisions to add bike lanes on Los Osos Valley Road.

FINANCIAL CONSIDERATIONS

This is a multi-year project budgeted in the Road Fund at \$4,044,988 – WBS 300519. The total project costs are estimated at \$2,491,653.

At the time of project completion, when actual construction costs are known, any unused budget will be redirected to other planned Pavement Management projects. No budget adjustment is necessary.

A final report of actual project costs will be filed with the clerk after any and all claims, disputes and adjustments have been resolved. We do not anticipate the final project cost to differ materially from the current estimated total. Five percent (5%) of total contractor payments are held by the County and released only after meeting the legal holding period after the Notice of Completion is filed.

Please see Exhibit “A” for an estimated cost breakdown of the project.

RESULTS

By taking the recommended action, your Board will cause the legal notice of completion for this construction contract to be recorded, and start the period of time during which liens can be filed by subcontractors against the prime contractor.
