County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Jeff Werst, Design Division Manager
Michael Britton, Project Manager

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 1/5/2016

SUBJECT: Letter transmitting plans and specifications (Clerk's File) for Widening of Price Canyon Road between Ormonde Road and Highway 227 near Pismo Beach, for Board approval and advertisement for construction bids. Bid opening date set for Thursday, February 4, 2016. District 3.

RECOMMENDATION

In accordance with applicable State Law, it is recommended that the Board:

1. Approve the project and adopt the plans and specifications for Widening of Price Canyon Road between Ormonde Road and Hwy 227, Contract No. 300464, Federal Aid Project No.: RPLCML-5949(074) ; and
2. Authorize the contract to be advertised for construction bids, with a recommended bid opening date of Thursday, February 4, 2016, and direct the Clerk of the Board to advertise a minimum of 21 calendar days before bid opening, no later than January 14, 2016; and
3. Provide the Public Works Director, or his designee, the discretion to extend the bid opening date to a date deemed more appropriate by the Director or his designee, so long as any such extension is in compliance with all applicable laws.

DISCUSSION

The project to widen Price Canyon Road was originally initiated in 1999, with the intent of widening the road from Ormonde Road to Highway 227, resulting in a roadway with full eight-foot shoulders from the Pismo Beach City limits to Highway 227 in Edna. Price Canyon Road is a regional arterial roadway serving as an alternate route to State Highway 101 for traffic between San Luis Obispo and the Five Cities.

In 2011, due to shifting priorities in funding at both the State and Federal level, Price Canyon Road was widened from Corral De Piedra Road to West Corral De Piedra Creek. This project is the second phase of the much larger project initiated in 1999. This project will widen the remainder of Price

Canyon Road from Ormonde Road to Highway 227. The project objective is to improve safety and operations as well as create a Class II bike lane. Completion of this project will complete a critical link between San Luis Obispo and the South County area.

OTHER AGENCY INVOLVEMENT/IMPACT

Your Board has previously approved the Mitigated Negative Declaration (MND), on March 15, 2005. The San Luis Obispo Council of Governments (SLOCOG) has been instrumental in its support of this project.

On October 22, 2015, the California Transportation Commission (CTC) allocated \$3,464,000 in Federal Surface Transportation Improvement Program (STIP) funds for this project.

The various utility companies have been alerted of the proposed work and our construction schedule – no conflicts are anticipated. Any adjustments resulting from conflict are an obligation of the utilities. The public will be advised of the work in advance, although disruptions should be kept to a minimum.

County Counsel has approved the contract as to legal form and effect. The County Clerk formally processes the bid openings.

FINANCIAL CONSIDERATIONS

This is a multi-year project budgeted in the Road Fund – WBS 300464 in the amount of \$5,820,071. Funding for this project will come from Regional State Highway Account (RHSA), Federal Surface Transportation Improvement Program, Federal Congestion Mitigation Air Quality (CMAQ) and Road Fund.

At the time of award, when actual project costs are known, we will return to the Board with a budget adjustment, if necessary. No budget adjustment is necessary at this time.

Please see Exhibit “A” for an estimated cost breakdown of the project.

RESULTS

Approval of the recommended action will result in this project being advertised for construction bids. The completion of this important part of the roadway connection between San Luis Obispo and the South County will provide a safer road network for all roadway users, and provide a safer and more livable community.
