SEAN D. DEVINE M.D.

Dear Commissioners,

KENNETH B. FRYER M.D.

OTTO J. SCHUECKLER M.D.

I have practiced orthopedic medicine in San Luis Obispo County for close to thirty years. I have heard that there is a County hearing Thursday January 28, for an assisted living facility in Templeton.

Many of my patients are elderly as I specialize in joint replacement. I am certainly aware that the aging demographic of our county population continues to grow. Every week I meet new patients who have recently retired to this area. As these patients continue to age, they will be needing assisted living facilities .

This letter is an endorsement for the Templeton assisted care project.
