

ATTACHMENT 02
EXHIBIT B - CONDITIONS OF APPROVAL
Robinson DRC2015-00048

Approved Development

1. This approval authorizes:
 - a. Construction of a new 1,200 square-foot single-family dwelling with a 600 square-foot garage and a 208 square-foot deck.
 - b. Modification of the 250 feet maximum distance standard to allow a secondary dwelling to be located 314 feet from the primary dwelling.
 - c. Maximum height is 35 feet from average natural grade.

Conditions required to be completed at the time of application for construction permits

Site Development

2. **At the time of application for construction permits**, plans submitted shall show all development consistent with the approved site plan, floor plan, and architectural elevations.
3. **At the time of application for construction permits**, the applicant shall provide details on any proposed exterior lighting, if applicable. The details shall include the height, location, and intensity of all exterior lighting. All lighting fixtures shall be shielded so that neither the lamp nor the related reflector interior surface is visible from adjacent properties. Light hoods shall be dark colored.

Fire Safety

4. **At the time of application for construction permits**, all plans submitted to the Department of Planning and Building shall meet the fire and life safety requirements of the California Fire Code. Requirements shall include, but not be limited to those outlined in the Fire Safety Plan, prepared by Cal Fire for this proposed project and dated October 26, 2015.

Services

5. **At the time of application for construction permits**, the applicant shall submit evidence that there is adequate water to serve the proposal, on the site.
6. **At the time of application for construction permits**, the applicant shall submit evidence that a septic system, adequate to serve the proposal, can be installed on the site.

Drainage

7. **At the time of application for construction permits**, the applicant shall submit complete drainage plans for review and approval in accordance with Section 22.52.110 (Drainage) of the Land Use Ordinance. All drainage must be retained on-site and the design of the basin shall be approved by the Department of Public Works.
8. **At the time of application for construction permits**, the applicant shall submit complete erosion and sedimentation control plan for review and approval in accordance with 22.52.120.

Conditions to be completed prior to issuance of a construction permit

Fees

9. **Prior to issuance of a construction permit**, the applicant shall pay all applicable school and public facilities fees.

Owner Occupancy Requirement

10. **Prior to issuance of a construction permit**, the applicant for the second unit shall record a notice against the property notifying any subsequent purchaser that failure to meet this requirement will subject the second unit to abatement by the county pursuant to Chapter 22.74 of this title. No secondary dwelling shall be allowed on the site unless an owner of the site agrees to occupy one unit on the site as his or her primary residence.

Conditions to be completed prior to occupancy or final building inspection /establishment of the use

11. **Prior to occupancy or final inspection**, whichever occurs first, the applicant shall obtain final inspection and approval from Cal Fire of all required fire/life safety measures.
12. **Prior to occupancy of any structure associated with this approval**, the applicant shall contact the Department of Planning and Building to have the site inspected for compliance with the conditions of this approval.

On-going conditions of approval (valid for the life of the project)

13. This land use permit is valid for a period of 24 months from its effective date unless time extensions are granted pursuant to Land Use Ordinance Section 22.64.070 or the land use permit is considered vested. This land use permit is considered to be vested once a construction permit has been issued and substantial site work has been completed. Substantial site work is defined by Land Use Ordinance Section 22.64.080 as site work progressed beyond grading and completion of structural foundations; and construction is occurring above grade.
14. All conditions of this approval shall be strictly adhered to, within the time frames specified, and in an on-going manner for the life of the project. Failure to comply with these conditions of approval may result in an immediate enforcement action by the Department of Planning and Building. If it is determined that violation(s) of these conditions of approval have occurred, or are occurring, this approval may be revoked pursuant to Section 22.74.160 of the Land Use Ordinance.

Drainage

15. **On-going condition of approval (valid for the life of the project)**, the project shall comply with the requirements of the National Pollutant Discharge Elimination System Phase I and / or Phase II storm water program and the County's Storm Water Pollution Control and Discharge Ordinance, Title 8, Section 8.68 et sec.

Fees

16. **On-going condition of approval (valid for the life of the project)**, and in accordance with Title 13.01 of the County Code, the applicant shall be responsible for paying to the Department of Public Works the South County Area 2 Road Impact Fee. The fee shall be imposed at the time of application for building permits and shall be assessed for each building permit to be issued. These fees are subject to change by resolution of the Board of Supervisors. The applicant shall be responsible for paying the fee in effect at the time of application for building permits.
