County of San Luis Obispo

TO: Board of Supervisors

FROM: Sheriff - Coroner / Ian Parkinson/781-4540

DATE: 4/5/2016

SUBJECT: Submittal of a resolution by the Sheriff-Coroner to proclaim the week of April 10 through April 16, 2016 "San Luis Obispo County National Public Safety Telecommunications Week." All Districts.

RECOMMENDATION

It is recommended that the Board adopt and sign the attached resolution proclaiming the week of April 10 through April 16, 2016 "San Luis Obispo County National Public Safety Telecommunications Week."

DISCUSSION

Each year, the second full week of April is dedicated to the men and women who serve as public safety Telecommunications. It was first conceived by Patricia Anderson of the Contra Costa County (CA) Sheriff's Office in 1981 and was observed only at that agency for three years. Members of the Virginia and North Carolina chapters of the Association of Public-Safety Communications Officials (APCO) became involved in the mid-1980s. By the early 1990s, the national APCO organization convinced Congress of the need for a formal proclamation. Rep. Edward J. Markey (D-Mass.) introduced what became H.J. Res. 284 to create "National Public Safety Telecommunications Week." According to Congressional procedure, it was introduced twice more in 1993 and 1994, and then became permanent, without the need for yearly introduction.

This year it is requested that your Board join the nation and many States, Counties and Cities in commemorating the second full week in April as "National Public Safety Telecommunications Week." The public designation of this week helps to recognize and highlight the efforts and dedication of those highly trained and skilled individuals whom are often the first link in the chain of public safety.

OTHER AGENCY INVOLVEMENT/IMPACT
