SUBJECT: Request to approve FY 2016-17 renewal service contract (Clerk's File) for Housing Assistance Services with the Housing Authority of the City of San Luis Obispo (HASLO) in the amount of \$100,000. All Districts.

RECOMMENDATION

It is recommended that your Board approve, and direct the Chairperson to sign, a renewal service contract with the Housing Authority of the City of San Luis Obispo (HASLO) for Housing Assistance Services for Fiscal Year 2016-17 in the amount of \$100,000.

DISCUSSION

The Department of Social Services (DSS) is contracting for Housing Assistance Services with the Housing Authority of the City of San Luis Obispo (HASLO) to assist California Work Opportunity and Responsibility to Kids (CalWORKs), Child Welfare Services (CWS), and Adult Services (AS) clients/participants with obtaining and retaining permanent, safe and affordable housing. Services provided in this contract include eviction prevention and the provision of security deposit funds that may be accessed only after family, individual, community and other DSS programs are explored and utilized.

The eviction prevention funds provide up to fifteen hundred dollars (\$1,500) to a qualified family, senior, or individual who is at risk of losing long-term housing due to an unexpected hardship. The funds may be used for rent. It is anticipated that once the eviction funds are utilized the family, senior, or individual will stabilize and be able to continue paying their rent with no further emergency assistance. Studies have shown that it is less expensive, and has greater outcomes, to provide resources for an individual or family to retain their existing housing rather than allow an eviction to occur. Once permanent housing is lost the quality of life diminishes rapidly and the ability to find stable housing is difficult. This service is a safety net that offers preventative help to support our CalWORKs, CWS and AS families, seniors and individuals who are experiencing temporary personal difficulties such as physical or mental health issues and/or temporary job loss.

The security deposit funds are initiated once a family has located affordable housing and needs assistance with a security deposit to be able to move in. These funds provide up to twelve hundred dollars (\$1,200) to help a family, senior, or individual. Once housing is stabilized, clients/participants who utilize the security deposit funds are encouraged to participate in HASLO's Family Self-Sufficiency (FSS) Program. The FSS program is a five-year program that HASLO offers to help families reduce their dependence on public assistance and to increase their income to the point where they can obtain market rate housing. As family income increases, their contribution toward their Section 8 or Public Housing rent payment also increases. Under the FSS program, the U.S. Department of Housing and Urban Development (HUD) regulations allow a percentage of their rent increase to be deposited into an interest bearing escrow account. If the family meets its goals within five years and "graduates" from welfare assistance for a period of twelve months, they receive the funds in this account. For more information about HASLO and housing programs they offer visit their website at www.haslo.org.

The renewal of this contract will increase the likelihood that clients/participants receiving assistance in CalWORKs, CWS,

and AS will obtain and retain permanent, safe and affordable housing. As housing issues stabilize, CalWORKs, CWS, and AS clients/participants are more likely to participate in employment, training, and education opportunities that will lead to self-sufficiency and financial stability. Unlike other programs that provide emergency services once a person or family becomes homeless, both programs with HASLO support permanent, long-term housing needs that provide a base for people to move out of poverty and into self-sufficiency. These services support the Department and County goal of ensuring all people in our community enjoy healthy, successful and productive lives, and have access to the basic necessities.
