County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Armand Boutte', Development Services Division

VIA: Joseph T. Morris, Deputy County Surveyor

DATE: 7/12/2016

SUBJECT: Request approval of Parcel Map COAL 14-0007 for a lot line adjustment resulting in 4 lots by Chevron Land and Development Company, Cayucos. District 2.

RECOMMENDATION

It is recommended that the Board approve Parcel Map COAL 14-0007 for a proposed lot line adjustment resulting in 4 lots by Chevron Land and Development Company in Cayucos.

DISCUSSION

The subject map has satisfied all the conditions of approval that were established in the public hearing on the proposed lot line adjustment. The map was processed by the County Planning Department with input from County Public Works, Environmental Health, the Air Pollution Control District, California Department of Transportation (Caltrans), CALFire, and the California Department of Fish and Wildlife as well as the Regional Water Quality Control Board.

At the May 15, 2015 public hearing, the Planning Department Hearing Officer granted approval to the proposed lot line adjustment. Proposed lot line adjustments may be subject to conditions of approval. The applicant has satisfied their conditions. The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires a lot line adjustment to be completed and finalized by filing Certificates of Compliance, or by the filing of a parcel map at the discretion of the applicant. The applicant has chosen to file a parcel map.

Title 21 requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the lot line adjustment map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

All costs for review and certification of the parcel map are paid by the applicant based on fees approved annually by your Board. There are no additional costs associated with this action.

RESULTS

Approval of the recommended action will allow the lot line adjustment parcel map to be filed in the office of the County Recorder.
