Rate is determined based upon client acuity, developmental and chronic conditions, cultural considerations, co-morbidity, placement needs, etc. The rate will support and meet the individualized needs, goals, and treatment of the client.
Rates do not refer to a client's particular stage of recovery.
Rate is inclusive of Outpatient Mental Health Services to County clients who are residing at Contractor's residential program facility including, but not limited to, Medication Support, Mental Health Services, Crisis Intervention, and Case Management.
Resident charges represent a County patch to each resident's SSI payment to the facility. The resident's SSI monthly residential board and care is subject to annual adjustments by the Federal Government and the State of California. Day rates may be modified by written amendment to this Agreement.
 - b. Augmented Services. Augmented services provided, such as extraordinary staffing requests, residents requiring special medical attention waivers or treatments, and other enhanced services may be negotiated on an individual basis.
 - c. Fee for Service Rate – Transportation Services. Transportation charges are not for routine or local transportation. Transportation Service charges are for transportation of County clients to specialty medical care, court, or conservatorship hearings only. The rate per trip is \$60.00 plus mileage at the federal published rate.
 - d. Medication Support Services: Daily dispensing of medications is a non-billable service included in the residential rate. Medi-Cal billable medication support services are provided by licensed staff in an outpatient setting.
 - e. Claims: Contractor shall submit monthly claims in arrears for all services provided.
 - f. County's Maximum Cost of the Contract for Services.
 - i. The County will pay the Contractor for actual client days used by County. County has contracts with Contractor as well as other Board & Care facilities. In no event shall the County's obligations under all Board & Care Contracts in total exceed the maximum fund which is **two million eight hundred thirty two thousand four hundred twenty five dollars (\$2,832,425).**

- ii. Expenditure limit; the Contractor shall notify the County in writing when the expenditures against the contract reach 70% of the dollar limit on the contract and/or projected utilization would likely cause an expenditure overrun. The contractor acknowledges that the County will not pay for work exceeding the dollar limit on the contract unless a change order or amendment to the cover those costs is been issued.
- g. State Cost Reporting. Upon request from County, Contractor will submit to County an annual Cost Report following State established guidelines within 30 days of the request. Contractor will reconcile to the actual cost of services provided to County and reimburse County for any portion paid in excess of Contractor's cost of services provided to County. If Contractor fails to submit accurate and complete annual Cost Report(s) by agreed upon submission date, then County shall not make any further payments to Contractor under this Agreement until the accurate and complete annual Cost Report(s) is (are) submitted. Contractor shall pay said amount in one cash payment to County.

2. Definition of Client Day.

A client day shall commence at 12:01 a.m. of each calendar day. A client day shall include any part of a day, whether the County's client is present for the full day or any part of a day in Contractor's licensed facility.

3. Maximum Client Days.

The County has a budget for services of this nature. Contractor expressly acknowledges and understands that the County's budget is for all of County's special services placements in Board & Cares, depending on the needs of the client, as decided by the sole discretion of the County. The Contractor expressly acknowledges and understands that the County will seek other placements, including, but not limited to, other licensed Board & Cares. The County may choose to place all of its clients in Contractor's facility or none of County's clients in Contractor's facility. Upon commencement of Contract, Contractor will be paid for one day in advance. If County chooses not to place anyone in Contractor's facility, Contractor is entitled to retain pre-paid funds as consideration for entering into this Contract. However, if the County does place anyone into Contractor's facility, the first day of that client's stay will be charged against the pre-paid day. Therefore, County will only be obligated for the number of client days actually used at the rates established herein. There are no oral amendments to this Contract. No County employee has the authority to bind the County by authorizing client days in excess of the limits stated in this Contract.

4. Bed Hold.

When a client's symptoms escalate to the point he/she cannot be managed at this level of care, and requires treatment in an acute psychiatric inpatient facility, the client shall be allowed a seven (7)-day bed hold. A seven (7)-day bed hold will also be instituted should a client need a brief stay in an acute medical inpatient facility for physical health needs. The Behavioral Health Administrator may authorize an extension of the seven days bed hold provided the following criteria are met:

- a. If a client requires treatment for a brief period or on an acute basis at a hospital, inpatient medical facility, or psychiatric inpatient facility, Contractor shall allow the client a seven-day bed hold. County reserves the right to cancel the seven-day bed hold within its discretion. Should a client require such care, Contractor shall notify the County of this need within 24 hours.
- b. The Behavioral Health Administrator or designee may authorize an extension of a seven-day bed hold provided for in paragraph (a) within discretion, if there is

reasonable cause for Administrator to believe that the client will be released from the heightened level of care within a reasonable time. No bed hold or other expenditures for the client are authorized by this Contract after the seven-day bed hold has expired unless the Behavioral Health Administrator or designee has notified the Contractor in writing of Administrator's decision to extend the bed hold.

- c. The daily rate for paying Contractor under this Contract shall be the regular daily rate (not the augmented rate) for any day in which there is a bed hold under the provisions of this section.

5. Discharges.

- a. Non-Emergency Discharges. The County shall provide a minimum of 48 hours for all planned, non-emergency discharges. The discharge notice will be given to the Admissions and Discharge Coordinator or designated person. For notices that are less than 48 hours (non-emergency) the County will pay the daily rate equivalent to that time.
- b. Emergency Discharges. Emergency discharges will consist of acute hospitalization, both medical and psychiatric. These may be bed holds when mutually agreed upon or when the criteria listed in Paragraph 4 of this Exhibit are met. Contractor strongly recommends that all those either going to jail or having gone AWOL are placed on at least 48-hour bed hold, unless it is determined that the client will not be returning to the facility.
- c. Medi-Cal: Clients' Permanent Residence. County agrees that resident's Medi-Cal codes remain within his/her county of origin throughout his/her stay at Contractor's facility. County agrees not to intentionally recode resident's Medi-Cal county codes to Contractor's County. County agrees to promptly take steps to correct any coding error should a Medi-Cal number be recoded through County's conduct in any manner to Contractor's County.

6. Documentation.

If County deems applicable, as part of the monthly invoicing process, Contractor shall provide, with each monthly invoice, documentation pertaining to client services provided during the invoiced month, as per any special requirements needed by third party payors or federal or state funding agencies. Contractor will provide documentation as per County guidelines, which can be found at

7. Billing.

Contractor shall bill County for services provided under this Contract as follows: For all services in a calendar month, Contractor shall invoice County by the 30th day of the following calendar month. The invoice shall be itemized, client by client, showing each client's number of client days, the client day rate, and the offsetting revenues from that client (e.g., SSI payment). The invoice shall also contain the client's admission date and previous history of client days, previously applied offsetting revenues, and previous payments made by County. In short, it will be a running total for each client. Each client's account shall commence on a separate page of Contractor's letterhead so that no other client's information can be observed on the invoice.

8. Payments.

County shall, within thirty (30) days following receipt of a correct monthly invoice meeting all criteria in this Contract, pay the undisputed charges on the invoice. If there are any disputed charges on the invoice, County shall include the explanation of the nature of the

dispute with the payment for the undisputed charges. The parties shall exchange any information needed to resolve the dispute within a reasonable time.

9. Audit Risk.

In the case that Contractor provided services are billed by the County to Medi-Cal, Contractor agrees to accept risk for Medi-Cal exceptions related to deficiencies in documentation or any other areas of responsibility to County to the extent allowed by law. Contractor further agrees to be responsible for reimbursing County any revenues to be paid to the State or Federal government, including but not limited to exceptions resulting from Medi-Cal audit, or as identified through utilization review and medical review by insurance carriers or other auditors. Said reimbursements shall include all lost revenues, damages of any kind, costs and attorney fees incurred by the County, and other charges assessed against the County to the full extent allowed by law.

Furthermore, County shall provide Contractor a process for appealing or disputing Medi-Cal exceptions or deficiencies demonstrated specifically attributable to Contractor by the County. Reimbursement to the County by Contractor shall not be required until the completion of the appeal or dispute resolution process.

County may deduct any such funds from other payments to Contractor if County includes a description of the basis for the deduction with its payment.

10. Withholding Payment.

In addition to withholding payment due to disputed charges on an invoice, County shall have the right to withhold payment to Contractor under the following conditions:

- a. Contractor has not documented or has not sufficiently documented Contractor's services according to client records standards of the industry and any special requirements needed by third party payors or federal or state funding agencies.
- b. Contractor has failed or refused to furnish information or cooperate with any inspection, review or audit of Contractor's program or County's use of Contractor's program. This includes interviews or reviews of records in any form of information storage.
- c. Contractor has failed to sufficiently itemize or document the itemized invoice.
- d. Contractor's performance, in whole or in part, has not been sufficiently documented, County has the right to withhold payment to the Contractor, when, in the opinion of the County, and expressed in writing to the Contractor.
