Dear Supervisor Mecham,

Oak trees are family to me so I won't go on and on, but I do want to say that I fully support very clear protections for native trees in our beautiful county. I am lucky enough to be the caretaker of one huge oak at my residence in Templeton. Too many of them are dying on their own and the rest need to be protected from non-local and corporate interests.

Thank you for voting in favor of an emergency oak tree ordinance tomorrow.

Kelly

Dear Supervisor Mecham,

We sent you a letter earlier in the week asking that you please vote NO at Friday's special meeting on Native Tree Interim Zoning/Urgency Ordinance. Please help us long time local farmers/ranchers in mind when you are casting your vote on Friday. Opposing this type of urgency ordinance on our little farming/ranching operations will be a severe hardship for us.

Thank you in advance for voting NO on Friday.

Respectfully submitted,

Raymond E. Dodd, Jr. "Skip" & Nancy Dodd
