## CITY OF EL PASO DE ROBLES

*"The Pass of the Oaks"*

Lynn Compton  
Chair, San Luis Obispo County Board of Supervisors  
County Government Center  
1055 Monterey Street  
San Luis Obispo CA 93401

Dear Ms. Compton,

This is to inform you and the entire Board of Supervisors that the Paso Robles City Council has directed our staff to draft a resolution supporting the County's efforts to protect native trees (particularly, in the North County, the oaks). We cannot consider that resolution until after your July 15<sup>th</sup> meeting, but I wanted you to know that this is in the works.

As I said during my remarks at the most recent Board meeting, I feel compelled to defend the oak forests of the North County, support those who are working to preserve our heritage and quality of life, and advocate for swift and effective methods to assure there will be no further damage to our hillsides and trees.

Best of luck in your deliberations. Please don't hesitate to contact me if I can be of assistance.

Sincerely,

Steven W. Martin  
Mayor, City of Paso Robles
