Subject: Consent Agenda Item for next Tuesday's meeting

Dear Board of Supervisors,

SLO Mothers for Peace has been alerted that there is an item on next Tuesday's consent agenda dealing with moving the evacuation center from Santa Maria High to the tech high school in Nipomo in case of a release of radiation at Diablo Canyon.

We think that this is an item that needs public input and consequently should be removed from the consent agenda and placed on a forthcoming regular agenda so that people have time to study the issue and prepare remarks.

Thanks,
Linda Seeley
Spokesperson
