Subject: Consent item # 3 -- Aug. 9 meeting

Dear Board of Supervisors,

According to item #3 on next Tuesday's consent agenda, the Board is considering moving the evacuation center from Santa Maria High School to the New Tech High School in Nipomo in case of a release of radiation at Diablo Canyon. This is a very bad idea. That high school is too close to Diablo Canyon and, because of the prevailing wind pattern, it could be directly in the plume of radiation.

It is important for the public to have an opportunity to comment on this. This item must be removed from the consent agenda and placed on a regular agenda at a later meeting, and the public needs adequate notice about the item.

Sincerely,

Item No. 3
