Ms. Cummings

I am communicating re your file DRC2015-00075

my address is 3545 hidden valley rd, templeton, ca

the Birklers have been good neighbors- thoughtful, considerate and responsible

they keep there property up and improve it

most of the quest houses in hidden valley are in excess of 50 feet
the terrain many times dictate this

the main home was at this spot at one time

urge the county to approve their request and approve the quest house

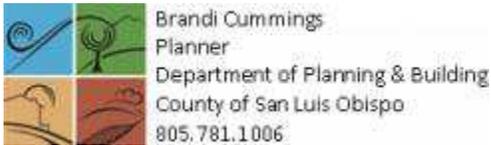

you may contact me at 805 434 9559 and share me e-mail if you wish with anyone involved

*Thank You

Dear Ms. Brandi Cummings

I would like to send a short note in our support of the Birkler's converting their small workshop into guest quarters, county file number DRC 2015-00075.

We have been adjoining neighbors to the Birkler's for approximately 10 years and have witnessed them upgrading many structures on their ranch and have always found them to do it in a very tasteful manner.

Tim & Stephanie Selby
