SUBJECT: Submittal of a resolution authorizing execution of notice of completion and acceptance for the construction of Buckley Road Two Way Left Turn Lane near San Luis Obispo. District 3.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution, which authorizes the execution of a notice of completion and acceptance of the Construction of Buckley Road Two Way Left Turn Lane near San Luis Obispo (Contract No. 300490).

DISCUSSION

The contract was awarded to R. Burke Corporation on April 5, 2016 in the amount of \$534,706 and was constructed within the allowable working days and project budget.

The completed contract has provided a new center turn lane to access adjacent businesses and provided improvements to the existing curve to reduce the frequency of "run off the road" collisions at this location.

OTHER AGENCY INVOLVEMENT/IMPACT

Construction funding is authorized for this project through the Federal Highway Safety Improvement Program (HSIP) which is administered by Caltrans. Various utility companies have provided appropriate input and/or will perform relocations prior to construction.

FINANCIAL CONSIDERATIONS

This is a multi-year safety project budgeted in Road Fund at \$1,474,000 - WBS 300490. The total project costs are estimated at \$1,176,028. The project will be funded from Federal Highway Safety Improvement Program (HSIP) and the Road Fund. Anticipated project savings from the Road Fund will be redirected to other transportation capital projects. No budget adjustment is necessary.

A final report of actual project costs will be on file with the Public Works Department after any and all claims, disputes and adjustments have been resolved. We do not anticipate the final project cost to differ materially from the current estimated total. Five percent (5%) of total contractor payments are

held by the County and released only after meeting the legal holding period after the Notice of Completion is filed.

Please see Exhibit "A" for an estimated cost breakdown of the project.

RESULTS

By taking the recommended action, your Board will cause the legal notice of completion for this construction contract to be recorded, and start the period of time during which liens can be filed by subcontractors against the prime contractor.
