Dear Ms. Cummings:

I received notice of the hearing on August 19 to consider the Minor Use Permit/Coastal Development Permit for John Tenbroeck on Richard Avenue in Cayucos. I own property on Richard Avenue near this proposed home, and fully support approval of the requested permits. I hope more lots along the street are developed in the near future, and am delighted to learn of this family's plans to build.

Please contact me if you have any questions.
