Good morning Kate,  
This is Zelbert Armer and I wanted to let you know that I have been in contact with Dan Biswas. He is the developer on the project in San Miguel. County file # DRC 2015-00109 parcel # 021-322-004. He has assured me and my family that there drainage plan for that project will most likely help the water issues we have at the north end of the alley. Thank you and I look forward to them moving forward on their project.

Sincerely, Zelbert Armer
