RE: AFFORDABLE HOUSING – POLICIES & SOLUTIONS

As the Board of Supervisors considers the important issue of affordable housing in the County I want to urge you to review and strongly consider adopting the items put forward in the EVC / HBA / SLO Chamber Housing Policy Solutions document.

The document was extremely well thought out and provides what could be very real inroads toward addressing the housing issues we face in San Luis Obispo County. The County was recently identified as the sixth (6th) least affordable housing area in the entire nation, which places an overwhelming burden on employers and the local economy with respect to housing for employees.

Thank you for your consideration and leadership on this issue.

Kevin Dye, CIC
