I have been a member of Dairy Creek Women's Golf Club since it opened and would be very disturbed to have it closed or changed in any way. As typically happens, if converted to campgrounds, zip line, bike/motorcycle trails, etc., it is hard to imagine it would ever be converted back to an 18 hole golf course. Please keep Dairy Creek on the books as an 18 hole golf course only -- even if it must be closed for awhile for the water situation to be resolved.
