The Grover Beach Community Library is a non-profit free library in the City of Grover Beach. While not part of the County Library system, the Grover Beach Library contributes to the mission of the County Library system by providing materials and services to the community to the maximum extent possible. The Library is operated and funded entirely by volunteers and donations from members of the community. Fund raisers, such as book sales three (3) times a year and the annual Valentine's Swing Dance, are held to help with the operational expenses associated with the Library. The Library is in the process of updating its facility. Activities include upgrading old/outdated interior walls, plaster coating paneling, paint and new window coverings. The refurbishment will make the Library easier to maintain and a friendlier environment for the patrons.

The \$8,000 in County funds will be used towards expenses associated with upgrading the Library's old/outdated interior walls, plaster coating paneling, paint and new window coverings.
