Brandi,

We are in receipt of the MUP notice of October 24 for the proposed Stauffer replacement residence on Kenneth Dr.

As the property owner just caddy-corner to the rear of their property (023-032-003) on Warren Rd, we are in full support of their development. We have no concerns or issues with the project. This will be a nice enhancement to the neighborhood and we welcome the improvements.

Feel free to contact us for any concerns or questions.

Regards,
