#### **CONSENT AGENDA**

2. Unless pulled from the consent agenda by the Planning Department Hearing Officer for separate action, the following items will be acted on collectively because individual public hearings were not requested or required pursuant to Land Use Ordinance Section 22.062.050B.4.b. or Coastal Zone Land Use Ordinance Sections 23.02.033b.(2)(ii) and 23.02.033b.(4)(ii):
3. A request by **THE NIPOMO GROUP** for a Minor Use Permit (DRC2014-00024) to allow for the expansion of an existing recreational vehicle (RV) storage and sales lot. The proposed expansion will provide for up to an additional 144 RV storage spaces and will include the disturbance of approximately 5.77 acres (251,395 square feet) of the 9.57 acre project site. Development will also include improvement of two existing driveways and curb, gutter, and sidewalk along Juniper Street, and installation of a landscaping strip. The project includes a waiver of the curb, gutter and sidewalk improvements along the Camino Caballo street frontage. The project is located on the North side of Juniper Street, approximately 550 feet west of Highway 101, within the community of Nipomo, in the South County Sub Area of the South County planning area. Also to be considered is the environmental document prepared for the project. The Environmental

Coordinator, after completion of the initial study, finds that there is no substantial evidence that the project may have a significant effect on the environment, and the preparation of an Environmental Impact Report is not necessary. Therefore, a Negative Declaration (pursuant to Public Resources Code Section 21000 et seq., and CA Code of Regulations Section 15000 et seq.) has been issued on May 5, 2016 for this project. Mitigation measures are proposed to address Air Quality, Cultural Resources, Noise, Public Services and Utilities, and Transportation and are included as conditions of approval.

With respect to documents submitted by members of the public to the Planning Department staff during a meeting, the law requires only that those documents be copied by the Clerk after the meeting for members of the public who desire copies. However, as a courtesy to others, it is requested that members of the public bring at least 4 extra copies of documents that they intend to submit to the Planning Department staff during a meeting so that those extra copies can be immediately distributed to all members of the Planning Department staff and other members of the public who desire copies.

## **DEPARTMENT OF PLANNING AND BUILDING MEETING PROCEDURES**

Planning Department Hearings are conducted under the authority of the Hearing Officer. Each item scheduled for public hearing at a Planning Department Hearing will be announced by the Hearing Officer and the hearing will be conducted as follows:

1. The Planning Department staff will present the staff report and recommendation on the matter being heard.
2. The Hearing Officer will open the public hearing and will first ask the project applicant (if any) to present any points they feel the Planning Department Hearings should understand about their proposal.
3. The Hearing Officer will ask other interested persons to present any testimony they wish to give about the proposal being considered.
4. The Hearing Officer will offer the project applicant an opportunity for rebuttal of any testimony against the proposal or to clarify information previously presented.

## **RULES FOR PRESENTING TESTIMONY**

All persons who wish to present testimony to the Planning Department Hearings in a public hearing must observe the following rules:

1. When beginning to speak, first identify yourself and place of residence. This is required for the public record. Planning Department Hearings are tape recorded.
2. All remarks must be addressed to the Hearing Officer. Conversation or debate between a speaker and a member of the audience is not permitted.
3. Please keep your remarks as brief as possible. When a number of speakers wish to testify on the same project, the Hearing Officer may limit the time for testimony to 3 minutes for individuals and 8 minutes for persons representing a group. Focus your testimony on the most important facts you wish to be considered. Avoid duplicating testimony provided by others.
4. Whenever possible, written testimony should be presented as well as oral. Written testimony can be submitted for Planning Department Hearings consideration in advance of the actual hearing date.

## **APPEALS**

If you are dissatisfied with any aspect of an approval or denial of a project, you have the right to appeal this decision to the Board of Supervisors up to 14 days after the date of action, in writing, to the Planning Department. If legitimate coastal resource issues related to our local Coastal Program are raised in the appeal, there will be no fee. If an appeal is filed for an inland project, or for a coastal project with no legitimate coastal issues, there will be a fee set by the current fee schedule. If a fee is required, it must accompany the appeal form. The appeal will not be considered complete if a fee is required but not paid. There must be an original form and original signature, a FAX is not accepted.

Planning Department Hearings decisions may also be appealable to the California Coastal Commission pursuant to Coastal Act Section 30603 and the County Coastal Zone Land Use Ordinance 23.01.043. Exhaustion of appeals at the county is required prior to appealing the matter to the California Coastal Commission. The appeal to the Board of Supervisors must be made to the Planning Commission Secretary, Department of Planning and Building, and the appeal to the California Coastal Commission must be made directly to the California Coastal Commission Office. These regulations contain specific time limits to appeal, criteria, and procedures that must be followed to appeal this action. The regulations provide the California Coastal Commission 10 working days following the expiration of the County appeal period to appeal the decision. This means that no construction permits can be issued until both the County appeal period and the additional Coastal Commission appeal period have expired without an appeal being filed.

Contact the Coastal Commission's Santa Cruz Office at (831) 427-4863 for further information on appeal procedures.
