RE: Appointment as a Director to the
Coastal San Luis Resource Conservation District

Dear District Board Directors:

The purpose of this letter is to request my re-appointment as a Director to the Coastal San Luis Resource Conservation District (CSLRCD). I have been active with the CSLRCD for several years and find it to be a very rewarding opportunity. Through the years I have been active in the resource issues of water quantity and quality, watershed protection, sediment and erosion control. It is an honor to work with the Board Directors and Staff to plan and support the implementation of beneficial conservation projects in San Luis Obispo county.

It would be an honor to receive this re-appointment. Thank you for your consideration.

Sincerely,

Linda Chipping

Re: Reappointment to the CSL RCD Board of Directors

Dear Board Directors:

I have enjoyed my past years as a member of the CSL RCD Board of Directors, and this letter is to express my desire to continue my participation for another term.

My background in farming/ranching in the District contributes to my intimate knowledge of the environment. My activities on behalf of Farm Bureau, Morro Bay Estuary Program and other organizations gives me a broad base of contacts within other synergistic activities.

I would be pleased to be appointed to another term.

Sincerely,
