**Subject:** Support for upcoming Workforce Housing Ordinance

Please consider this email a vote of support for approval of the Workforce Housing Ordinance scheduled for consideration by the Board of Supervisors at the hearing on November 22<sup>nd</sup>, 2016.

This sector of housing supply has been sorely overlooked in recent years and is now at a critical stage. The efforts of the EVC, the HBA and County staff should be commended as this ordinance is a great example of a community working together to provide a much needed opportunity for small lot, "affordable by design" housing for individuals and families that have been squeezed out of the housing market due to the high costs of owning a home.

I urge our Board to support this ordinance.

Thanks
