

## Exhibit A

### FINDINGS

1. The building permits for which fee waivers are requested are for correcting violations for unpermitted construction.
2. Waiver of permit processing fees for permits to correct unpermitted work on the fieldworker bathrooms, dairy barn and stucco barn will not meet the criteria set forth in Footnote 7, paragraph a, of the Planning and Building Department fee schedule (Exhibit B) because correcting the unpermitted construction is not a project which is of obvious public benefit, available to the public at large, or to be used by more than residents of the immediate vicinity.
3. Waiver of permit processing fees for permits to correct unpermitted work on the fieldworker bathrooms, dairy barn and stucco barn will not have an obvious public benefit because the project is not part of an overall approved use that meets the criteria in Footnote 7, paragraph b, of the Planning and Building Department fee schedule (Exhibit B).
