SUBJECT: The following map has been received and has satisfied all the conditions of approval that were established in the public hearing on their tentative map: Parcel Map CO 06-0170, a proposed subdivision resulting in 2 lots by Roger T. and Julie L. Craig.

RECOMMENDATION

It is our recommendation that your Honorable Board approve the Parcel Map CO 06-0170 a proposed subdivision resulting in 2 lots, by Roger T. and Julie L. Craig, near Arroyo Grande.

DISCUSSION

The above-listed map has satisfied all the conditions of approval that were established in the public hearings on their tentative map. The map was processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, the Air Pollution Control District, and other affected County Departments as well as California Department of Transportation (Caltrans), and local cities and service districts.

At a public hearing, the Subdivision Review Board granted tentative approval to the proposed tract/parcel map. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance requires that when the conditions of approval have been met, and when an adequate final or parcel map, that is substantially in conformance with the design of the tentative map, has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. Your Board must also accept or reject any offers of dedication. No action is required as part of this parcel map.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map and/or resolutions of acceptance as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

As there is no acceptance of a road into the County system, there is no cost associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
