APPEALS

If you are dissatisfied with any aspect of an approval or denial of a project, you have the right to appeal this decision to the Board of Supervisors up to 14 days after the date of action, in writing, to the Planning Department. If legitimate coastal resource issues related to our local Coastal Program are raised in the appeal, there will be no fee. If an appeal is filed for an inland project, or for a coastal project with no legitimate coastal issues, there will be a fee set by the current fee schedule. If a fee is required, it must accompany the appeal form. The appeal will not be considered complete if a fee is required but not paid. There must be an original form and original signature, a FAX is not accepted.

Planning Department Hearings decisions may also be appealable to the California Coastal Commission pursuant to Coastal Act Section 30603 and the County Coastal Zone Land Use Ordinance 23.01.043. Exhaustion of appeals at the county is required prior to appealing the matter to the California Coastal Commission. The appeal to the Board of Supervisors must be made to the Planning Commission Secretary, Department of Planning and Building, and the appeal to the California Coastal Commission must be made directly to the California Coastal Commission Office. These regulations contain specific time limits to appeal, criteria, and procedures that must be followed to appeal this action. The regulations provide the California Coastal Commission 10 working days following the expiration of the County appeal period to appeal the decision.
