HEARING ITEMS

5. Continued hearing to consider a request by **BRECON ESTATES/HACKETT PACIFIC INVESTMENTS** for a Minor Use Permit (DRC2014-00081) to amend the existing winery operations to allow for the construction of a 2,500 square-foot new visitor parking area; a pedestrian bridge from the new parking area; and a new primary access driveway from Jensen Road. The existing driveway from Vineyard Drive will be maintained as an emergency access

during events and the existing parking will be converted to staff and event parking. The applicant is also requesting 6 special events with up to 80 guests, use of an adjacent parcel (APN 039-011-026 under same ownership) for overflow parking for up to 45 spaces during industry events and modification of noise ordinance standards to allow amplified music past 5 PM (to 10 PM). The project will result in approximately 1.51 acres of disturbance. The proposed project site consists of 2 parcels; the existing winery (APN039-011-025; 19.15 acres) and adjacent parcel (APN039-011-026; 20.20 acres) for overflow parking, totaling 39.35 acres. Both parcels are in the Agriculture land use category, and are located at 7450 Vineyard Drive (winery) and 1120 Jensen Road (overflow parking), approximately 7 miles west of the community of Paso Robles, in the Adelaida sub area of the North County Planning Area. The Minor Use Permit is requesting to modify the location standard for vacation rentals per Coastal Zone Land Use Ordinance Section 23.08.165(C)(1). The requested waiver would allow the proposed vacation rental to be located within 40 feet of an existing vacation rental, which is closer than the distance requirement allows for. APPEALS

If you are dissatisfied with any aspect of an approval or denial of a project, you have the right to appeal this decision to the Board of Supervisors up to 14 days after the date of action, in writing, to the Planning Department. If legitimate coastal resource issues related to our local Coastal Program are raised in the appeal, there will be no fee. If an appeal is filed for an inland project, or for a coastal project with no legitimate coastal issues, there will be a fee set by the current fee schedule. If a fee is required, it must accompany the appeal form. The appeal will not be considered complete if a fee is required but not paid. There must be an original form and original signature, a FAX is not accepted.

Planning Department Hearings decisions may also be appealable to the California Coastal Commission pursuant to Coastal Act Section 30603 and the County Coastal Zone Land Use Ordinance 23.01.043. These regulations contain specific time limits to appeal, criteria, and procedures that must be followed to appeal this action.
