SUBJECT: The following map has been received and has satisfied all the conditions of approval that were established in the public hearing on the tentative map: Parcel Map CO 02-0272, a proposed subdivision resulting in 3 lots by Leffingwell Ranch LLC, a California Limited Liability Company and James W. and Johanna A. Townsend Trust, Jordan Road, north of Cambria.

RECOMMENDATION

It is our recommendation that your Honorable Board approve Parcel Map CO 02-0272, a proposed subdivision resulting in 3 lots by Leffingwell Ranch LLC, a California Limited Liability Company, and James W. and Johanna A. Townsend Trust.

DISCUSSION

The above-listed map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, the Air Pollution Control District, and other affected County Departments as well as the California Coastal Commission and California Department of Transportation (Caltrans), and local cities and service districts.

At a public hearing, the Subdivision Review Board granted tentative approval to the proposed parcel map. All proposed real property divisions may be subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance requires that when the conditions of approval have been met, and when an adequate parcel map, that is substantially in conformance with the design of the tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk to await your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

Other Agency Involvement/Impact

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

Financial Considerations

As there is no acceptance of a road into the County system, there is no cost associated with this action.

Results

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
