COUNTY OF SAN LUIS OBISPO

TO: Board of Supervisors

FROM: Public Works
Edward Reading, County Surveyor

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 11/6/2018

SUBJECT: Request to approve Parcel Map CO 05-0207, a proposed subdivision resulting in 3 lots, by David C. Anton, Joan B. Anton and Blake T. Anton; and adopt the attached resolution to accept the avigation easement located at 1350 Sixteenth Street, community of Oceano. District 4.

RECOMMENDATION

It is recommended that the Board:

1. Approve Parcel Map CO 05-0207, a proposed subdivision resulting in 3 lots, which has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map by David C. Anton, Joan B. Anton and Blake T. Anton; and
2. Adopt the attached resolution to accept the avigation easement.

DISCUSSION

At the June 5, 2006 public hearing, the Subdivision Review Board granted approval to the proposed subdivision tentative map. All proposed real property divisions are subject to conditions of approval. The project owner has satisfied all the conditions of approval that were established for this project at the public hearing. The map was processed by the County Department of Planning and Building, with input from Public Works, Environmental Health, Parks, CAL FIRE, as well as the Oceano Community Services District, Airport Land Use Commission, Air Pollution Control District, and the Oceano Community Advisory Counsel.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to

approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. Your Board must also act on the attached resolution accepting the avigation easement. The attached letter from the County Planning and Building Department provides the discussion and recommendation regarding the avigation easement.

Parcel Map CO 05-0207 will be responsible for curb, gutter and sidewalk improvements along its frontage at 1350 Sixteenth Street.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act and records the approved resolution.

County Counsel has reviewed the attached resolution and approved it as to legal form and effect.

FINANCIAL CONSIDERATIONS

All costs for examination and certification of the map by the County Surveyor are paid by the project owner.

As there is no acceptance of a road into the County system, there is no cost associated with this action.

There are no other costs associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
