COUNTY OF SAN LUIS OBISPO

TO: Board of Supervisors

FROM: Administrative Office / Zola Moore-Stansbury
(805-781-5011)

DATE: 11/6/2018

SUBJECT: Request to approve the FY 2018-19 Fish and Game project listing as recommended by the Fish and Game Fines Committee. All Districts.

RECOMMENDATION

It is recommended that the Board approve the Fiscal Year 2018-19 Fish and Game project listing as recommended by the Fish and Game Fines Committee as described in this report.

DISCUSSION

Each year, as part of the budget process, the Board approves a lump sum budget for the Fish and Game Fines Committee. The Committee then meets to develop a listing of recommended projects for the upcoming fiscal year. The listing is then submitted to the Board for approval. Consistent with this approach, the Fines Committee has met and developed a list of projects for FY 2018-19, totaling \$22,715 (including the Committee's operating expenses and any yet to-be-determined miscellaneous projects). A brief description of each project is included in the following list:

Education **\$15,300**

\$3,000 – Friends of Rollo: Help introduce fishing to children who might not have the opportunity by sending youth on marine-awareness fishing trips. Additional information about Friends of Rollo can be found at: <http://www.rollokids.org/>

\$2,500 – Junior Pheasant Hunt: Help defray the costs of providing the Junior Pheasant Hunt. This is the most popular event sponsored by the Fines Committee and provides the youth of the County hands-on hunter safety training including education on tracking and game identification. The event is offered free-of-charge to the participants.

RESULTS

Approval of these recommendations will provide the Fish and Game Fines Committee with the authority to expend the \$22,715 on projects as described above that will benefit the residents of the County.
