TO: Board of Supervisors
FROM: Jeff Hamm, Health Agency Director
DATE: 1/14/2014
SUBJECT: Request to approve two reappointments and one new appointment to the Board of Directors of the Santa Barbara San Luis Obispo Regional Health Authority (CenCal Health) for two–year terms expiring January 13, 2016. All Districts.

RECOMMENDATION
It is recommended that the Board appoint Joe DeSchryver for a two year term to replace Alan Ittiniuk and reappoint Richard Roberts and Dr. Rene Bravo for two year terms to the Board of Directors of the Santa Barbara San Luis Obispo Regional Health Authority (CenCal Health). Their terms will expire on January 13, 2016.

DISCUSSION
Since January 2008 CenCal Health has been the two-county MediCal managed care plan ensuring access to health care services for MediCal beneficiaries in Santa Barbara and San Luis Obispo Counties. CenCal Health is governed by a Board of Directors comprised of 13 members, eight of whom are appointed by the Santa Barbara County Board of Supervisors and five of whom are appointed by your Board.

The enabling state statute specifies that the five SLO County-appointed members be comprised as follows. Two members shall be “elected or appointed officers or employees of the County, at least one of whom shall be a member of the Board of Supervisors.” The first of those two positions is currently filled by Jeff Hamm, Health Agency Director. The second is the representative of the Board of Supervisors, which is currently vacant. That position had previously been held by Paul Teixeira until his passing last summer. Each of those two positions serve indefinite terms at the pleasure of your Board. Of the remaining three members, two must be representatives of providers of health care services, one recommended by the Medical Association, and one recommended by the CEOs of the four hospitals located in the County. The remaining member must be either a recipient of MediCal or Medicare services, or both.

Dr. Bravo has served as the Medical Association’s representative on the Board of Directors since the expansion in 2008. He is willing to serve another two year term, and his continued presence on the Board of Directors continues to be endorsed by the SLO County Medical Association. Mr. DeSchryver was recently named at the Chief Executive Officer of the Sierra Vista Medical Center, and is the hospital CEO’s selection as their representative for the next two years. In January of 2013, your Board appointed Richard Roberts to serve out the second half of the term of his predecessor, who resigned from his position mid-term. Mr. Roberts is interested in continuing to serve on the Board of Directors.

OTHER AGENCY INVOLVEMENT/IMPACT
The County Clerk has indicated that any applicable posting requirements associated with the recommended appointments have been met.

RESULTS
Approval of the recommended action will ensure that San Luis Obispo County continues to be appropriately represented.
on the CenCal Health Board of Directors. The appointments will also allow the CenCal Health Board to continue to carry out its obligations as the governing board for the MediCal Managed Care Plan serving MediCal beneficiaries in Santa Barbara and San Luis Obispo Counties. The effective administration of the CenCal Health health plan contributes to achieving the County’s vision of a healthy community.
