## COUNTY OF SAN LUIS OBISPO

TO: Board of Supervisors

FROM: Public Works  
Edward M. Reading, County Surveyor

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 3/21/2017

SUBJECT: Request approval of Parcel Map CO 15-0008, a proposed subdivision resulting in 3 lots, by Conchal Enterprises, LLC, which has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map, Casitas Street, Oceano. District 4.

### **RECOMMENDATION**

It is recommended that the Board approve Parcel Map CO 15-0008, a proposed subdivision resulting in 3 lots, by Conchal Enterprises, LLC, which has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map.

### **DISCUSSION**

At the July 6, 2016 public hearing, the Subdivision Review Board granted approval to the proposed subdivision tentative map. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied all of the conditions of approval that were established for this project at the public hearing. The map was processed by the County Planning Department with input from County Public Works, Environmental Health, and other affected County Departments as well as the Oceano Community Services District.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate Parcel Map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting

your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

### **FINANCIAL CONSIDERATIONS**

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

There are no other costs associated with this action.

### **RESULTS**

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
