COUNTY OF SAN LUIS OBISPO

TO: Board of Supervisors

FROM: James P. Erb, CPA, Auditor - Controller - Treasurer - Tax Collector

DATE: 1/23/2018

SUBJECT: Submittal of the County of San Luis Obispo's audited Comprehensive Annual Financial Report (Clerk's File), Single Audit Report (Clerk's File), Agreed-Upon Procedures Report for the Los Osos Landfill Financial Means Test Certification, and the Statement on Auditing Standards 114 Communications Letter and the Single Audit Management Letter for the Fiscal Year Ended June 30, 2017. All Districts.

RECOMMENDATION

It is recommended that the Board receive, review and file the County of San Luis Obispo's Comprehensive Annual Financial Report (CAFR), the Single Audit Report, the Agreed-Upon Procedures Report for the Los Osos Landfill Financial Means Test Certification, the Statement on Auditing Standards 114 Communications Letter and the Single Audit Management Letter for the fiscal year ended June 30, 2017.

DISCUSSION

The County of San Luis Obispo's Comprehensive Annual Financial Report (CAFR) is mandated by Sections 25250 and 25253 of the Government Code of the State of California. These statutes require the County to publish a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards. We are also submitting the County's Single Audit Report and the Agreed-Upon Procedures Report for the Los Osos Landfill Financial Means Test which were prepared in conjunction with the audit of the County's annual financial statements performed by the independent accounting firm of Brown Armstrong, CPAs.

The primary purpose of the CAFR is to disclose the financial position of San Luis Obispo County as of June 30, 2017, together with the results of its operations for the 2016-2017 fiscal year. The CAFR is organized into four main sections; the introductory section, financial section, required supplementary information and the statistical section.

The introductory section, which begins on page one, includes a letter of transmittal, general information on the government's structure and personnel as well as information useful in assessing the County's financial condition.

The financial section begins on page nineteen with an unmodified opinion from the independent auditors, Brown Armstrong, CPAs. This clean bill of health is the auditors' attestation that the statements are presented fairly and in conformity with generally accepted accounting principles. Management's Discussion and Analysis (MD&A) follows the opinion report. The MD&A provides users of the basic financial statements with a narrative introduction, overview, and analysis of the statements.

The Basic Financial Statements follow the MD&A and represent the core of the CAFR's financial section. The basic financial statements include *government-wide financial statements, fund financial statements, and notes to the financial statements*. The government-wide financial statements are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business. The fund financial statements contain separate statements for governmental, proprietary and fiduciary fund types and focus on major fund reporting. The notes to the financial statements are presented last and are an integral part of the basic financial statements.

The Required Supplementary Information follows the notes and contains a Budgetary Comparison Schedule for the General Fund and a schedule of the County's Contributions to the Defined Benefit Pension Plan, as well as a Schedule of Funding Progress for the County's Defined Benefit and Other Post Employment Benefits Plans.

Following the financial statements is a series of combining statements. These combining statements provide support for each column in the basic financial statements that aggregates data from more than one fund. Detail budgetary schedules for all governmental funds with adopted budgets follow the combining statements.

The statistical section of the CAFR includes charts and graphs which offer a wide range of financial, economic and demographic comparisons for the current and past nine fiscal years. These statistics provide easily readable economic analysis and insight into the County's financial stability.

The Certificate of Achievement for Excellence in Financial Reporting has been awarded to San Luis Obispo County for the thirty-first consecutive year. We believe our current report continues to conform to the Certificate of Achievement program requirements, and we have submitted it to the Government Finance Officers Association (GFOA) for a determination.

Included with the CAFR is the Single Audit Report which presents the results of the audit of the County's compliance with the *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Copies of both reports are available on the County's website (www.slocounty.ca.gov/AC) under Auditor-Controller Financial Reports.

Also included with the CAFR is the Agreed-Upon Procedures report which presents the results of the external auditors' procedures performed regarding the Los Osos Landfill Financial Means Test Certification.

Finally, also submitted is a required communications letter and a Single Audit management letter provided by our auditors. The purpose of these letters is to communicate to the Board the scope of audit procedures performed, significant findings, and other information, such as audit adjustments and significant estimates that aren't communicated in the audited financial statements.

OTHER AGENCY INVOLVEMENT/IMPACT

Preparation of this report requires the cooperation and assistance of all County departments.

FINANCIAL CONSIDERATIONS

The funding for these audited reports has been previously approved. No additional funding is required. This CAFR will be supplied to bond rating firms and governmental regulatory agencies for their use.

RESULTS

Completion of these reports enables the County to comply with the State and Federal reporting requirements and provides the Board of Supervisors and the public with county-wide audited financial information.
