## COUNTY OF SAN LUIS OBISPO

TO: Board of Supervisors

FROM: Public Works  
Kristi Smith, Accountant

VIA: Lynette O'Neil, Finance Division Manager

DATE: 11/5/2019

SUBJECT: Submittal of the amended Exhibit B to Resolution No. 2019-133, dated May 14, 2019, showing the assessment amount placed on the FY 2019-20 tax roll for San Luis Obispo County Flood Control and Water Conservation District, Zone 16 (Drainage Basins of various developments in Nipomo and San Miguel) after the annual Consumer Price Index adjustment. Districts 1 and 4.

### **RECOMMENDATION**

It is recommended that the Board, acting as the Board of Supervisors for the San Luis Obispo County Flood Control and Water Conservation District:

1. File the amended Exhibit B to Resolution No. 2019-133, dated May 14, 2019, showing the assessment amount placed on the FY 2019-20 tax roll for San Luis Obispo County Flood Control and Water Conservation District, Zone 16 (Flood Control Zone 16) after the annual Consumer Price Index (CPI) adjustment; and
2. Direct the Clerk of the Board to file the amended Exhibit B with the Auditor-Controller-Treasurer-Tax Collector-Public Administrator (ACTTCPA).

### **DISCUSSION**

The Flood Control Zone 16 voter approved benefit assessments pay for the maintenance of flood control basins and landscape maintenance in various developments in Nipomo and San Miguel. On May 14, 2019, the Board approved Resolution No. 2019-133 that levied the FY 2019-20 assessments for Flood Control Zone 16, with the provision that they would be adjusted to include the increase in CPI once that amount was known in July.

The CPI adjustment was calculated using the "Updated CPI Formula" that was approved in Resolution No. 2019-123. This calculation resulted in a 3.1% increase, which was applied to the existing assessments.

The purpose of today's item is to confirm that the assessments have been increased by the CPI, the amended amounts have been transmitted to the ACTTCPA and placed on the FY 2019-20 tax roll, and to amend the previously adopted resolution with a new Exhibit B showing the adjusted amounts.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

The ACTTCPA is involved in the process of collecting the assessments on the property tax bills. The Clerk of the Board will file the amended Exhibit B with the ACTTCPA.

### **FINANCIAL CONSIDERATIONS**

There is no cost associated with the recommended action. Flood Control Zone 16 will receive increased revenue as a result of the increased assessment amount.

### **RESULTS**

Amending the attachment to the previously adopted resolution will complete the action directed by the Board with the adoption of that resolution, thereby contributing to a well-governed community.
