Re: *Formation of Oceano Vitality Advisory Council*

Dear Supervisor Compton,

We are a diverse group of interested citizens and business owners in the historic and proud community of Oceano.

The recent decisions made by the California Coastal Commission which profoundly impacts Oceano, as well as other long unresolved issues, require a responsive, locally informed voice.

We ask for recognition as the Oceano Vitality Advisory Council so that we can better meet the challenges and opportunities before us. We will also be submitting a community funds grant request for expenses incurred for website development, Zoom subscription, and a post office box.

In anticipation of your support, we have scheduled our first meeting on May 13, 2021 and are working on setting up a meeting with the Public Works Department so that we can build on the investment and work already done with the Oceano Revitalization Plan which was paid for by the County of San Luis Obispo.

Respectfully,

Linda Austin Linda Austin
